Workshop 1: Contemplating Shared Ministry

**Saturday, February 26th
2 PM Eastern/1 PM Central on Zoom**

You are invited to engage in a new initiative, Churches Joining Forces. This Southeast Conference UCC initiative has been created to offer space and tools for exploring the different ways congregations and ministry settings can come together to strengthen our ministry and share our gifts, this series of events will focus on everything from parallel programming to event collaboration to space sharing and beyond.

Our first workshop, Contemplating Shared Ministry, will be facilitated by Rev. Samantha Houser and Rev. Ellis Arnold, both Associate Conference Ministers from the Tri-Conference Ministry Team (Iowa, Nebraska, and South Dakota Conferences of the United Church of Christ).

This opening event is perfect for all congregation leaders and clergy in both local churches and specialized ministry settings. Learn more on our website: <https://www.secucc.org/2022/02/15/churches-joining-forces/>.
